**01**

**Onboard worker pool**

Bring your network into Voynova with a single supplier portal.

**02**

**Capture profiles & docs**

Structured profiles, ID, PCC and medical readiness.

**03**

**Add skill demos**

Short trade demos and language samples per worker.

**04**

**Match to live briefs**

AI matches your pool to active employer roles in Europe.

**05**

**Track deployments & payouts**

End-to-end visibility from offer to onboarding to payout.

---

EXHIBIT 01

**Pool onboarding, audited at source.**

Field officers verify identity, skill grade, and language band before any candidate enters the corridor pipeline.

EXHIBIT 02

## One platform, every stage versioned.

Suppliers, recruiters and employers operate from a single ledger — every status, document, and payout traceable.

## SOURCE MARKETS

### India

Tier-1, Tier-2 cities + skilled trade clusters

### Nepal

Hospitality, construction, security

### Bangladesh

Manufacturing, garments, construction

## EUROPEAN DESTINATIONS

**Greece**

**Slovakia**

**Croatia**

**Romania**

**Poland**

**Hungary**

**Germany**

**Czechia**

EXHIBIT 03

### **Eight active corridors, one rulebook.**

Pre-built playbooks for Greece, Germany, Czechia and more — visa, attestation and embassy slotting handled end-to-end.

EXHIBIT 04

### **Welfare tracked, not assumed.**

30-60-90 day check-ins, accommodation verification and a live grievance line — every arrival accounted for on a single dashboard.

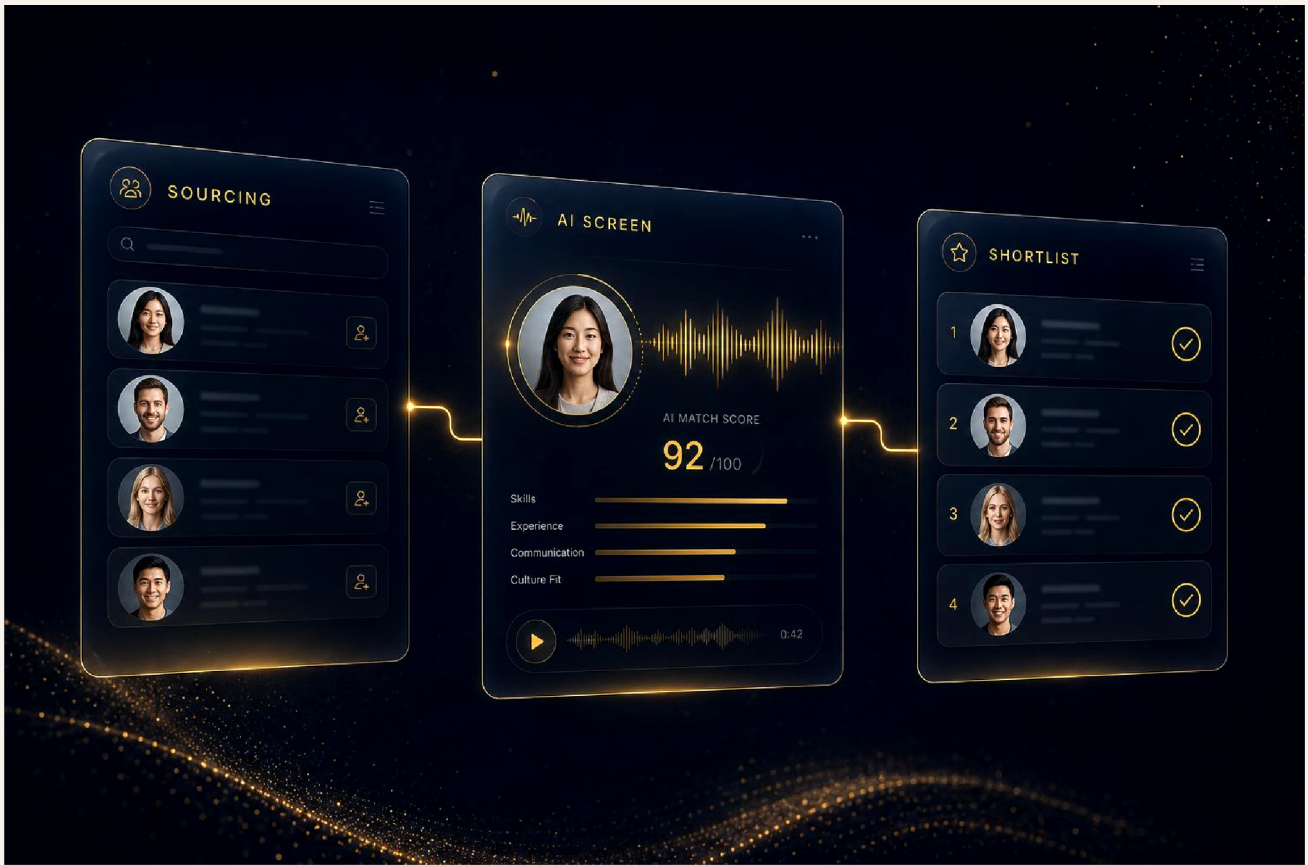

EXHIBIT 05

### One workflow, every handover logged.

Sourcing, screening, sponsoring, settlement — every stage versioned, timestamped and visible to the partner who owns it.

---

EXHIBIT 06

**Orientation, not onboarding theatre.**

Language band, contract walk-through, rights briefing and grievance lines — completed and signed before any travel.

EXHIBIT 07

## Eight corridors. One operating model.

The same standards in every market – so partners can scale across geographies without rebuilding their playbook.

EXHIBIT 08

## Your performance, in your portal.

Live KPIs on pool quality, deployment speed and welfare scores – visible to you and to the employers who hire from you.
